ABOUT THE COURSE

Tarot Praveśa — Foundation Course in Tarot Reading

Tarot Praveśa teaches you to read the cards from the cards themselves — their images, numbers and suits — rather than from memorised keyword lists. By the end you can lay a spread, see the story in it and say it clearly.

The course moves from the 22 Major Arcana to the 56 Minor Arcana, then to court cards, reversals and spreads, and finishes with supervised readings for fellow students. No prior knowledge of Tarot or astrology is needed.

OUTCOMES

What you will be able to do

- Read all 78 cards — upright and reversed — from their imagery
- Use the Major Arcana as the Fool's journey, not a list
- Read the four suits and the numbers 1–10 as one system
- Read the 16 court cards as people, roles and attitudes
- Lay and read the three-card, five-card and Celtic Cross spreads
- Frame a clear question and avoid leading or fearful readings
- Keep a reading journal and grow your own card vocabulary
- Give a complete, kind and honest reading to another person

QUESTIONS

Frequently asked

I have never touched a Tarot deck. Will I keep up?
Yes. Praveśa starts with what a deck is and how to shuffle. Every card is taught from its image, step by step, and you practise from the first week.

Which deck do I need?
A Rider–Waite–Smith style deck — the most widely used and the one most books follow. We suggest a few good editions when you enrol; any similar deck works.

Is Tarot part of Vedic astrology?
No — Tarot comes from a European tradition. At VedicSiddhanta we teach it as a reading tool in its own right, and in the later levels we show how it can work alongside Jyotiṣa and Praśna.

Can I read for others after this course?
You will be able to give a clear, kind reading to friends and family. For paid readings we recommend continuing to Sādhaka, which includes supervised client clinics.

What if I miss a class?
Every class is recorded and uploaded within 24 hours, and you keep access for life.
